Thanks for everything! The homework was really the hardest part for my group and I. But if we went over more similar problems in class, that would've been even more helpful. Probably the professor's fault for not giving better work plans.

Very good T.A. helped expand on lecture topics with the mathematical aspect of the topics. One thing that could be done better is preparation with the math done. A lot of errors when presenting in class

Best. Econ TA ever! Explain everything very clearly. Kind and patient. Knowing all the materials for the class. It would be better if he can teach the class.
