Grey is really good at TAing. He goes slowly and answers questions to make sure we understand everything. I would honestly not change anything.

Even though this course can be said as a tough course, Greg has done a great job in teaching.

Next time, you can do better by preparing ahead stuff that you want to cover on discussion session. By preparing ahead, it can make teaching more efficient.

Overall, good job!

It would be nice to have the handouts also have answers to problems gone over in class. if you could post the handouts asap that would be great too. some parts were confusing, but its a hard class so whatever.

Thank for a great summer session A!
