You break things down so hard stuff is easier to understand.

I like the slow pace. And your examples were good.

I always felt welcome asking questions.

You have been one of the best TAs I have had at
UCB and even though it might not have seemed
like I was too interested, I learned more from your
discussions than the class itself! Thank You!

One of the best T.A.'s I had. He was more lucid than the professor.

Greg is one of the best

TAs I've had at UCLA.

The material is difficult to understand but he presents it in a clear, concise way and expands on other ideas

further from the lecture.

Valuable to my time.
